

Director of Training

14 August 1952

Head, Intelligence Training Division

Weekly Report

Submitted herewith is a report of the Intelligence Training Division for week ending 14 August.

1. Speakers appearing before the school from outside CIA during the past week have been Mr. E. Zanders of G-2, who spoke on the military capabilities of the USSR, and Mr. Richard Scammon of the Department of State, who discussed the security commitments of the United States and its Allies. On 8 August the trainees went to the Pentagon where Colonel Wolfe of A-2 gave a presentation in the briefing room on Soviet air capabilities.

2. Arrangements have been made through [redacted] to address the training group next Tuesday morning on Soviet Foreign Policy.

3. [redacted] of the Reading Improvement Branch recently conferred with two officers from the Department of State about the facilities required for a Reading Improvement Laboratory.

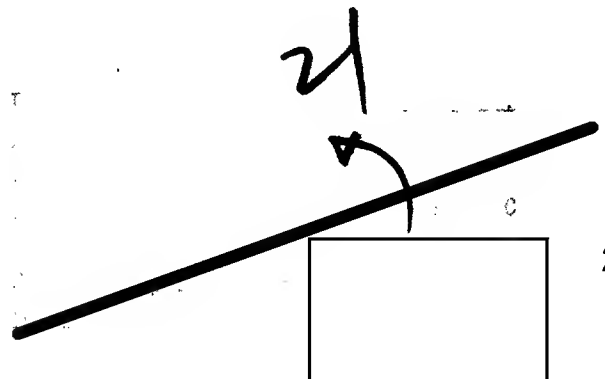

4. The Reading Improvement Branch is making arrangements to send mechanical equipment to the field course in [redacted]
